

Project Instructions for “Childhood Obesity in Scotland” Data Story

The data story is located in “index.html” which intern references “style.css” both of which are located in the “DataStory folder”.

The html file has been tested in both Chrome and Firefox.

All graphics have been generated using and uploaded to Tableau public, this means an internet connection is required to view the Data story. The Tableau the workbooks for the graphics can be found in the “tableau” folder. Also included in this folder is the data used.
